

Hello Supporters, Donors and Friends of the Westcoast Motorcycle Ride to Live,

Prostate Cancer Foundation Canada is proud to present the 15th Annual Westcoast Motorcycle Ride to Live May 26th, 2024. Since 1997, Prostate Cancer Foundation Canada has provided these men and their families access to resources and support, while raising awareness about the disease and providing crucial funding to prostate cancer research and care programs throughout the province. We strive to make a difference in the lives of the thousands of men affected by prostate cancer in BC, but we need your help!

In 2024 we are hosting our 2nd edition of The Amazing Ride, which replaced the outdated Ride to Live format. This smaller event was so well received that we anticipate an early sellout. To support, encourage, and thank these individuals and groups for their efforts, we offer prizes for the top collectors and participants. For those that prefer to run their own route we are continuing to run our virtual event across the country.

We would like you to consider donating an item or gift card that we can use as a prize item. In recognition of your contribution, we will acknowledge you or your business on our website and through our social media channels. With your help, we will be able to continue to show our appreciation to the hundreds of individuals and teams who put so much time and effort into fundraising for PCFC and hopefully encourage them to raise even more!

In-person event  
Fort Langley start - May 26th  
Virtual finishes Sept 4th

Thank you for  
your time and consideration.

Sincerely,

*Nicole Sirockman*
